## INFORMATION DISCLOSURE STATEMENT

Sir:

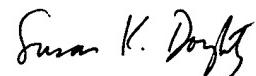

This application is a divisional of U. S. Application Serial No. 09/724,108, filed November 28, 2000, U.S. Patent No. 6,696,251. Copies of PTO Forms 1449 submitted in U.S. Application Serial No. 09/724,108 are enclosed. In addition, copies of Notices of References filed in 09/724,108 are included. In accordance with 37 C.F.R. 1.98(d), copies of references cited in that application are not submitted, but will be provided upon request. Copies of references not previously submitted are included. Pursuant to the Waiver published in the Official Gazette on August 5, 2003, because this application was filed after June 30, 2003, copies of cited U. S. patents are not included, but will be provided upon request.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission

that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that no fee is due with the submission of this Information Disclosure Statement. If this is incorrect, however, please charge the required fee and the fee for any extension of time needed to Deposit Account No. 07-1969.

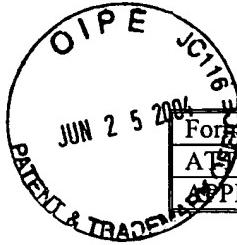

Respectfully submitted,

Susan K. Doughty
